

CITY OF LEON
SIDEWALK REPAIR/REPLACEMENT APPLICATION

Guidelines for the program must be any residential or commercial owned property within the city limits, the amount of reimbursement will be up to \$250.00 per location and includes the cost of concrete only.

The applicant will need to tear out the old sidewalk and the City of Leon will haul it off and haul back fill sand if needed.

The applicant will follow the sidewalk regulations found attached to the application.

If the application is approved, the applicant agrees to notify the city prior to the pouring of concrete. Upon completion of the project, the applicant will provide the city with a copy of the concrete bill to verify the cost of the concrete.

If the application is approved, the sidewalk repair/replacement must be completed within 45 days of the application being approved by the City Council. If it is not complete within 45 days, the application will be considered expired and the applicant will have to re-apply.
